

Simpatico

Design Solutions™

Easy to work with, versatile, and fun—Simpatico is your best friend for interior wall tile design that's up for anything. Mix and match with 12 x 24 and 6 x 24 field tiles offered in five luxe, neutral hues that are compatible even with other tiles or surfacing materials. Go glam with a quartet of glossy, artsy accent colors. Make a statement with a selection of dimensional tiles that add texture, shape, and shadow. Whether you need a sidekick or a superstar for your project, Simpatico is a kindred spirit in design. It's the wall tile you'll turn to because it goes anywhere for any look and brings everything together simply and stylishly.
