Yin + Yang

Natural Stone

At the heart of design is the art of balance.

Find yours with Yin + Yang, a harmonious collection of natural stones. The minimalist shapes of Yin + Yang take their inspiration from Eastern architecture. Seven distinct and modern patterns interplay with one another, creating a design unique to you. From clean linear mosaics to dramatic elongated hexagons, Yin + Yang is the perfect combination of form and function. The eight natural stones may be used on walls or floors as a single color, or with one another. The result is nothing short of Zen-like, bringing to you peace of mind, and to your space the unity of nature.
